ABOUT US

INDEX

"Raneliya Bathware" ever since its existence in 2019 is all determined to deliver Quality Products and Co-Compliance is ever accepted in this Philosophy. We have developed Stainless Steel Fasteners for Wall Hung Lavatories, Washbasins, and Cast Iron Brackets. The Design, Material, Machining Process, Other Processes, Stage & Final Inspection, Packaging & Dispatch of the Material are all Done under the expert supervision of our highly Qualified Team.

The unit line vision of Quality has made us develop the infrastructure and atmosphere suitable for the same. The surge in Quality has caused us to put Most Advance Technology at work and the result is inevitable Superior Quality and cost-effectiveness have made us prosper and spread across the Nation. The Product is appreciated and paid a richer return as well.

The USP of Our team is experienced, know-how about Material, Proper Processes, and everlasting hunger for Quality. Our team comprises of Mixture of Young and Experienced, skilled and Qualified, and Enthusiastic & determined Personnel. This is the strength of any Organisation. We are blessed with such a talented team because we nurtured them with continuous guidance, technical support, a work-friendly atmosphere, the latest Machines, and proper guidelines to follow.
